## OTHER INFORMATION

---

Eugenio did **athletics at agonistic level** until he was 20 years old, leading the high school team to the national finals and doing the 4th performance of the year in 2003 in Italy in his discipline, triple jump.

He is active with different volunteering activities, mainly related to students mentoring. Since 2017, Eugenio holds presentations at the University of Turin.

Outside work, he loves rock climbing and reading.
